

Rebecca Louise Leupp

May 4, 1995 - September 10, 2016

Rebecca Louise Leupp, age 21, entered Heaven's joys on Saturday morning, September 10, 2016.

Rebecca was born in Quezon City, The Philippines, on May 4, 1995, the first child of Roderick Thomas and Stephanie Brank Leupp. Becca loved people, reading, drawing, learning, baking with Mom and Emily, and crafts - up until age 9 when the family was involved in a tragic car accident. Becca was left with a traumatic brain injury, totally dependent on others for her care. Her personality showed through in the 12 years she lived with her injury, and she was so patient through illness, numerous surgeries and hospital stays.

Becca leaves behind her parents and younger sister Emily; maternal grandmother Ruth Brank of Toledo, Ohio; paternal grandmother Edythe Leupp of Portland, Oregon; and numerous aunts, uncles and cousins. The sorrow of living with her disabilities was lightened for all of us by her private duty nurses, her teachers and aides, her doctors and her therapists. At the end, Rivercross Hospice walked with us for the most difficult part of the journey: releasing our precious Becca into Jesus' arms. We know she is happy, healthy, running, skipping and rejoicing in Heaven.

You are in our thoughts and prayers and at the same time, we rejoice in knowing that Becca is free from the constraints and running in Heaven with our father. I cannot wait to get there to see her! “ I remember working with Becca at her home. When she came out of a coma I didn't know if she remembered anything . I had to test her to comply with state testing regulations . I had a white board and wrote a very simple math problem . I placed possible answers to her left and her right. She had to turn and look at the correct answer. She just stared at me. I said I'm sorry is this one too hard . She rolled her eyes and made a sound . I said ok smarty if this is too easy prove it! She did ! I went from addition, subtraction even multiplication and she got 100%!
That's when I knew the old Becca was alive and well. She was just trapped in a body that wasn't working like it used too. I will forever hold her in my memories and heart.
May God shelter her sweet family as they continue their journey without Becca.
