“ Dear Sharon, I'm so sorry to hear the sad news. And grateful for the memory of your visit to Colorado and a good time at the Spur of the Moment. I wish I could include Tim in this message, but he passed away shortly before Drew, so it's just you and me now. My thoughts and prayers go out to you.

“ Dear Sharon, I will forever remember Drew running towards me on the Pathfinder in his yellow poncho. On windy days it would be blowing with the wind and he almost looked mystical as he approached me. He was consistently there on the Path most days that I ran and was always up for a chat. I will miss him. Laurie Smith
