*I will always remember your funny half smile and sweet sense of humor. I am also expecting a Grand daughter born in October with my first name Nora. I'm sure we would of had a wonderful time celebrating this miracle together. My heart aches for your family at the loss of such an amazing person in there life. I pray they find peace in the words of our Lord that this life is but a vapor and comfort in knowing we will soon be with our loved ones again as He has promised.*
