

April Elizabeth Doolittle

April 5, 1961 - January 2, 2023

April Doolittle, 61, passed away on January 2, 2023, at 9:10 p.m. in Broken Arrow, Oklahoma.

She was born April 5, 1961, to Denver and Sharon Borders. After finishing high school April devoted her life to caring for people. She spent 25 years as a CNA caring for older people before becoming disabled. She did not let disability slow her down. She devoted her time to helping run the Little Miracle Workers non-profit, helping drive local friends on errands, and spending time raising kids.

She loved to travel and would do anything for a friend, even if it meant robbing Peter to pay Paul. Her biggest accomplishment was the love and lessons she was able to share with all her “children.”

She was preceded in death by her parents, her late husband John Griffin, and her beloved best friend Connie Pickens. She is survived by her daughter, Marissa (Jon) Duffee; her stepchildren, Amber Agnew (Mike), Rodney Glenn (Brandy), Ashley Glenn, Tyler Griffin; her guardianship babies, her ex-son-in-law Toby (Tashina) Sutton; her 10 grandchildren and many more friends and family.

I always loved how my cousin seen the wonderful value of family which is so embedded in our family makeup. She carried so many of the genetic traits of grandma & grandpa like we all do so it was just automatic bond cause we all understood each other. I loved her spirit and how she was always happy to see me. It ment a lot and I'll miss her. She told me she wanted to visit me in Alabama & I said come on but it never got to happen. I'll visit April in heaven & we will laugh , tell stories & maybe even do a craft or two. The entire family will her miss.

I was a few years older than her but I remember us as kids. I hate losing family anymore. Her last picture you have on here, I see so much of the Borders in here. Fly high April. I know Grandma and so many others are there with you. For her family, I know this is so difficult and so many emotions will go through as time goes by. But she will always be alive working you. And one dah there will be more smiles than tears because of all those memories will keep helping you throughout this lifetime. Sending love your way and sending love up high. From your cousin, Debra Borders Evans 🌸
