I am so proud to be Aunt Dixie's niece. I love her so much. She always made me feel more special that I really was. The last time we were able to talk, the presence of God was all over the room. We sang "Its me again Lord" together. We prayed together. What a wonderful memory God gave to me. She worked in the kitchen at so many youth camps for oh so many years & she would let me go in the kitchen and just hang out with her. I so love my Aunt Dixie.
