I'll never forget you, I remember your lip stick on your cigarettes  
back in the day when we smoked in the restaurant. We've had some  
good times. I love you.

Beverly, you had such a sweet soul and those beautiful baby blue  
eyes. I loved working, laughing, and talking with you. You were so  
right. People are not going to remember you for a clean house, what  
you wear, or how much money you had, but they will remember how  
you made them feel and you my love made me smile and laugh a  
lot. Heaven gained another angel. Until we meet again. ♡♡ Prayers  
and comfort for your loved ones.
