

Bobby Levon Alexander Jr

July 13, 1959 - April 23, 2026

Bob Alexander Jr., a resident of Bartlesville, Oklahoma, passed away on April 23, 2026, at the age of 66.

Born on July 13, 1959, to Phyllis and Bobby Alexander Sr., Bob grew up in Dewey, where he spent his childhood sharing adventures with his brother, Philip. Over the years, Bob cherished all the many friends he had.

Bob dedicated his life to his community and his family, ultimately raising his own two sons in the same town where he was raised. He was a hardworking man who recently celebrated his retirement from Hughes Lumber in 2025. Outside of work, he was a man of simple pleasures and deep passions. He found great joy in the outdoors, whether he was tending to his garden or spending quiet times watching birds in the yard. An avid supporter of the University of Oklahoma, Bob could often be found cheering on the Sooners alongside his loyal dog, Pippa.

Bob is survived by his father, Bobby Alexander Sr., and his brother, Philip Alexander. His memory will be forever honored by his loving wife, Barbara Alexander, and his two sons, Jason and Justin Alexander. His legacy of kindness and hard work lives on through his seven grandchildren.

“ *Bob. Bobby Sue. JR. Bobaloo. We had great nicknames for Bob! I worked with Bob for 40 years at Hughes, he was here when I started, and we have been lifelong friends. I will miss him so much! Every time I see a video of Andy Griffith or Red Skelton I will think of you! Love and Miss you.*

“ I’m sorry for your loss. My thoughts are with you and your family during this difficult time.

I always enjoyed visiting with Bobby in HS class (we graduated together). We were always laughing and carrying on about something.

I just happened to run in to him a few years ago at Hughes, and it was so great catching up with him. Very evident he cared deeply for his family and friends. Just a great man! RIP

“ Bobby was a dear friend to all. I remember when he started at Hughes and when he retired. Bob was my go to guy. He knew everything. Anyway I’m I thought he did. My spouse and I built three homes with Bob waiting on us to get the exact amount needed in materials for every step we made. If I came back and needed a certain piece of material, (usually a piece purchased already). He would always look at me and say, measure twice cut once. And I didn’t get in or out without a big hug. And I always looked forward to them. Never a better person had I ever met.

Bobby we will miss you.

Our condolences to your family,

Michael and Deniece Bush
