I am so very sorry for your loss. Losing a love one too soon is very devastating and hurtful. May the God of all comfort give you the comfort you need to endure this difficult time (2 Corinthians 1:3,4)

I met Brittney a few years ago, she was a wonderful, free spirit and I am so glad I had the chance to know her. I'm so very sorry, I have suffered much loss in my life but I cannot tell anyone "I know how you feel" it just makes me mad thinking of anyone saying that. But I would like her family to know they are in my prayers and I pray one day you will find peace in your life, take your time.

Tasha, Chris, Rachel and Nick, I am so unbelievably sorry to hear of the loss of Brittney. As you all know, she was my very first friend! I share some of the best memories of my childhood and life with Brittney and the rest of the Poplar gang. I will always remember playing house and making Rachel and Nick be our children, and I'll never forget being at your house and watching the movie, "Adventures and Babysitting" and me, Shelley, and Brittney doing a dance to the song playing at the very beginning of the movie, over and over!! Brittney will always hold a very special place in my heart, and she will always be my very first friend. Your family will continue to be in my thoughts, in my prayers and on my mind.
