*Dearest friend, Ann. Oh my, how I am going to miss you. Even though we didn't talk every day, we always picked up where we left off. I am so thankful to have known you and to be lucky enough to be your friend. Rest in peace. Give my Rusty a hug for me. You will be greatly missed. Love you, Judy Topping, LPN*

A fun, thoughtful, caring, loving, lady has left this earth plane and she will be missed by so many. She was always so cheerful & full of joy. She was a good friend of my mother, Betty, and was sweet enough to visit after Daddy passed. They talked on the phone too. She was so caring of Mom and became very close to my daughter Betsy who accompanied Mom to Doc Sokolosky's weight control clinic. Ann was more than just another of her Nana's friends. A couple of Christmases when Betsy and Mark were little, Santa Ken dropped packages for them. Ken, hope you will do ok and we will see you in your van around & working in the shop so I can give you some key-making business.

I am so very sorry for your loss. There are no words that I can say that will take away the pain you are feeling right now. I know your hearts are heavy right now. But in the days to come, may fond memories of Ann warm your hearts and bring a smile to your faces. Our Dear Lord Jesus suffered much so that one day we will no longer experience the pain of losing our love ones. Revelation 21:4 promises, "And He (God) will wipe out every tear from their eyes, and Death Will Be No More, neither will mourning, nor outcry, nor pain, be anymore..." Until then, may this promise from God give you peace and calm your aching hearts.
