So sorry to hear of Clarence's passing. I always asked for him when I came in to buy chicken for Concern food pantry located just east of United. He was always courteous, helpful and smiling. I know his presence as a hard working employee will be missed by all the staff at United. May your family and his fellow co-workers all share wonderful memories and comfort in God at this time of sadness.

It saddens me to hear about Clarence's passing. I worked with him for many years while at United and he was always so cheerful and had a quick wit for humor that could always make anyone smile. Sending my love to all of his family and friends.
