“My mother, Doris, and Danny's mother, area sisters. Danny and I were born within one month of each other and went through grade school together. Being raised nearly as siblings, we were very close. We celebrated our 66th birthdays sitting on the Phillips 66 sign! Many times during our golden years, James and I visited Danny and Sharon at their Oklahoma home during our winter travels. Many memories we'll keep!

He was a great guy. I worked with his late wife Sharon and everytime we saw them out we would stand and talk to them a long time. We also visited them when they went camping. They were both so funny.

Uncle Danny brought me, his sister..Jackie(my Mom) and Grandma Casey...his Mom..to Oklahoma from New York in '94. I lost touch with him and Sharon after Grandma and Mom passed away. He was a fun Uncle and him and Sharon will be missed much.
