

Daniel Ray Garrett

January 13, 1960 - September 30, 2019

Daniel Ray Garrett, 59, of Bartlesville, died Monday, October 1, 2019, in Bartlesville.

Daniel, or Danny as he was known, was born the son of Berkley Kendal Garrett and Edna (Watson) Lorene on January 13, 1960, in Bartlesville. After receiving his formal education Danny moved to Fayetteville, AR, in the early '70s to live with his brother.

In 1975 he met Pat Michael through friends and they quickly realized that they were meant to be. They united in marriage on November 23, 1976, enjoying nearly 43 years of loving marriage. They made their home in Fayetteville before moving to Bartlesville in 1993 for better work opportunities and to return to the Caney River. Danny hired on at Architectural Fabricators Co. (AFC) as a DNC Machinist, fabricating many of the everyday architectural elements used on local commercial buildings. After 17 years he retired due to health issues.

Danny and Pat loved to spend time together, often simply staying home and watching TV. Danny's first love was the Caney River - he grew up with it as his backyard and he loved to fish and dig up treasures along its banks. Outdoors is where his heart was, walking through the woods and in his younger days spelunking and exploring the many Arkansas caves.

Danny is survived by his loving wife Pat of the home; four children, Teresa Garrett, Jessie Garrett, Danny Wade Garrett, and Bonny Garrett; seven grandchildren and three great grandchildren. He is preceded in death by his parents.

No formal services are planned. Arrangements are under the direction of Carter Davis and the Davis Family Funeral Home. Online condolences and remembrances may be shared at www.DavisFamilyFuneralHome.com.
