Daniel faced many health obstacles in his life. He was always there
for his customers and they almost always wanted to talk to him
when they came in to pick up their drugs. He was bright, funny and
very well liked by all of the H&G customers. He left H&G when their
retail prescriptions were sold to Walgreens. He had worked there for
many years and was a go to person on technical issues inside the
pharmacy. He genuinely cared for the patients he served. He was
far too young to leave us. He will be sorely missed. Sympathies and
prayers to the family. May God be with you in this time.

I am so sad to hear about the passing of Daniel. I met him when I was living in Bartlesville and he delivered my medications to me. He was so nice. He and Lisa were the go to people at H & G from that moment on for me. He was so knowledgeable and friendly. Rest well in the arms of the Lord Daniel. You will be badly missed.

Daniel you brought my daughter happiness. You were my son & helped me in so many ways. We will all miss you terribly. Christy you know how I feel. I am devastated for your loss and for the whole families loss. Aubrey, Abi, & Anna loved their Uncle Daniel. Anna especially had a soft spot for him. Sharon, & Clarence, he was my son-in-law & I loved him. And mourn him. But he was your child. I can't imagine your pain. Desiree, I know you will miss him terribly. Including fussing with him. My brother is my only sibling. To lose him would feel like losing part of myself. Spider, Bud, Jennifer, &

Crystal, I know you will miss him as well. When Sharon & Clarence married, you gained Daniel as a brother. You spent years growing up with him. Daniel was quirky, & thoughtful & kind. I loved him & will miss my son.
