“ Where to begin? My cuz lived with us when we were kids. He was more like a big brother than a cousin. I will miss our debates over Ford's and Chevy's and Harley's and Honda's. He loved aggravating me over those topics. I will miss the hey how's it going cuz are you staying out of trouble texts. He was good at making sure everyone was ok. You will be missed by many. RIP no more pain continue to watch over us until we reunite again. Love you cuz!
