“ *Dave was a heck of a good fishing buddy, and it was usually on the edge, and never boring with him. Wonderful memories with him on Big Creek and Copan lake.*

“ David was across the hall from my mom at the nursing home in Collinsville. He graduated from highschool the year after me. I visited with him a lot over the past 2 years and helped him out when I could. It was great to know he had been saved at a young age and knew he had a home after this life. My condolences to his family!

“ Melissa, Amber and Sue. I have so many fond memories of Dave and your family when we worshipped and served at New Harmony a life time ago. I reconnected with Dave when our Collinsville church group sang at the facility he was living in. Although he was often confused you all were a part of the conversation. Love you all. Linda Mohler
