“ *Delynn Jane Myers Hamblin ., born March 21. 1996 in Oklahoma City.Oklahoma. To Mr. Connie Clayton Hamblin and his second wife Loria Lenn Myers, March 21 is also the day Connie and Loria married. Delynn is survived by Sisters Lisa, Connie Jeri, Samantha, and Annie as well as Brothers Mark, William, Robert, Rodney, and George. I feel the need to put the truth because Delynn was my child. She chose to start talking to me on Facebook at 14 years old. Connie and Loria had made the mistake of trusting Bobby and Esther Smith. By doing so Loria's mother and stepfather wanted to have co-custody of Delynn. When Mr. Hamblin and his wife wouldn't give in to them, A custody war started. Some of Delynn friends did know the truth. My child did make time to learn the truth and would let me know when something was being done behind my back. Delynn was starting learning about who she was inside, her own feeling and thoughts without playing a role to keep people happy. Be a woman who lived her life for herself. Loving and wanting a better for herself. knowing she could be Delynn or Janie. It was hard for her to be both. She was my Little One. who weight 10 '8 and 22inch long a C-section. She is Free now.*
