*So very sorry to learn of the passing of this lovely, gracious and sweet lady, whom I called "Mom Dee". I have known her for many, many decades and she was always full of energy and ran full speed ahead! Her family gave her great joy, and I hope they are comforted by knowing many people loved her and will miss her, too. Love, Sheryl*

*I will always remember Aunt Dee for her smiles and laughs, which she so freely and generously shared. I will remember when she scolded me when I needed it, perhaps not as often as she should have, yet enough to sometimes make me feel that I had 2 Moms. I will remember how she loved my parents, my brothers and sisters. I will remember the birthday cakes and the carrot lime jello. I will remember Aunt Dee for the mark of goodness she left in this world. My heartfelt condolence to you Paul, Johnnie, and Hilda for the passing of your Mother. Know that she will missed, but remembered, by many. Charlie*
