“ I am thankful that I have many fond memories of Aunt Donna from my childhood and young adult years. One of my favorite memories of Donna is the day she gave me and Jeff disco dancing lessons in her living room. Good times. So many other memories of laughter with her bring a smile to my face. May you rest in loving peace, Aunt Donna. To the family, I wish you peace and comfort during this difficult time.

Love,  
Laura

“ I'm so sorry to hear of Donna's passing. We were best friends for many years. Somehow life got in the way and it became the occasional phone call. I loved her dearly and have many fond memories of our time together. She was always there for me, and would do anything to help when needed. I'm saddened by her passing and my prayers go out to Jim, Jodi, Casey and all the grandchildren.
