Dorothy was a very nice humble person who excelled in her
education field. I count it a joy to call her a classmate of 1965. Her
Christian deportment spoke volumes of influence in so many lives.
A rest well earned .

Dorothy was a fun cousin! I remember when I road the bus to
Holdenville from Stillwater so I could stay with her and observe her
classes to fulfill one of my course requirements. I was able to stay a
few days and she took me around town and we created several
projects. Her students loved her and she was in her element in the
classroom. She continued her love of projects and it bought her joy
to share her talents! Rest in Paradise sweet Dorothy!
