

Earlene Bell Munro

July 27, 1931 - November 24, 2025

Earlene Bell Munro, 94, of Edmond, OK, formerly of Bartlesville, passed away on Monday, November 24, 2025.

Earlene was born July 27, 1931, in Oklahoma City, OK, to Roy and Romaine (Bell) Cleaver. Earlene was raised in Edmond and graduated from Edmond High School in 1949.

She graduated from UCO, known then as Central State College, in 1953 with a Bachelor of Science degree in Elementary Education. She was offered a teaching job in Bartlesville and moved there during the summer. Shortly after that time, she met Bradley, who was a chemical engineer for Phillips Petroleum. He had moved to Bartlesville from Montana. They were married on July 10, 1954.

Soon after marrying, they moved to Denver, CO, where Bradley would serve in the Army. Earlene taught elementary school on the military base. They moved back to Bartlesville for more than two years, then they were transferred to Borger, Texas, for approximately two years, and back to Bartlesville, where they lived until 2023. Earlene taught preschoolers or kindergarteners in Sunday School everywhere they lived.

They attended Bartlesville First Baptist Church. Earlene wanted to share the love of Jesus to young children. She supported Bradley in his ministries and

would help when she could. When their two children, Susan and Steven were born, she stayed home with them, nurturing, loving, and supporting them in their education and activities.

Earlene was a beautiful seamstress and enjoyed reading. Retirement brought new experiences, travel, and grandchildren.

Earlene is survived by her daughter, Susan Hamilton and her husband, Kenneth; son, Steven Munro and his wife Deborah; grandchildren, Adam Hamilton, David Hamilton, Lauren Hamilton, and Rebekah Munro, and step granddaughter, Bethany Griffin.

Do not remember the year it happened, but my husband Joe & I were on a trip to the Holy Land with Brad & Earlene. At Petra, Jordan our group was to walk down a long canyon road to ancient tomb site where large elaborate tombs were carved into the side of the mountains. The most famous one was named The Treasury. In the Indiana Jones movie "the Last Crusade" it was the one with all the flaming swords, but they were gone by the time we got there. It was a long rough walk. For some reason, the guide felt Earlene and I should ride in one of the horse drawn carts. When we ask the boy driving to slow down, he would go faster and giggle. By the time we were unloaded, Earlene's back was bruised. Needless to say, we returned with a different driver. We both have laughed many times about going half way around the world for such a wild ride. But all in all, the tour was a good experience we enjoyed sharing. Joe & I have enjoyed knowing both Bard & Earlene. So sorry for your losses. Helen Lewis
