“ *I'm so sorry I never had the chance to meet Ed in person, but we did have a special bond on our Facebook pages. He was a very sweet soul; He was a man who loved and respected his mother. Anyone with the name of Mary earned instant respect, connecting that name with his dear departed mother. He loved his children, grandchildren and sister very much. I will miss his posts and texts. Rest in heavenly peace, Ed. Until we meet again, face to face, in the presence of the Father.*

“ Our families grew up together, and aside from their living a couple blocks away for a short while, we lived on the same block, No. Ross, until we all grew up and left. Many , many memories with Mary, Candy and Eddie and many bad and many great. We spent hours swimming and hours riding horses, bikes and motorcycles. Eddie loved his mom and sister and was like a big brother to me. I'm sorry to hear he's left this world, but my prayers is he rests in Peace. Love to Candy and family forever and ever ❤️🙏
