“ my grandmother was the only one besides my dad who loved and protected me. Who saw the good in me. Made me feel loved. Losing her changed me forever-changed everyone in the family for worse really. I’m happy to make you proud grandma cause I know you’d be so proud of me. I strive everyday to just be 60% of how amazing you were. Thank you for giving me the influence I needed at a young age to be curious, protect the weak, and always speak your truth. I love you. Everytime I see a giraffe I think of you my love.
