

Garrett "Gentry" White

January 25, 1991 - February 10, 2019

Garrett "Gentry" White, 28, of Bartlesville, died Sunday in Bartlesville.

Garrett or Gentry as he was known was born the son of James Darrell White and Barbara (Fraser) Alexander on January 25, 1991, in St. Louis Park, Minnesota. He was raised in Minnesota until age 11 when his family moved to Bartlesville to be closer to more family. Garrett attended Bartlesville public schools, graduating from the Bartlesville High School in 2009. He went on to further his education by taking a course in Computer Technology at Tri County Tech. He decided to move to California and for the next two years lived with an aunt before returning to Bartlesville. Gentry enrolled at Tulsa Welding School and completed the welding program. He went on to work as a welder - a job he enjoyed until sustaining an injury that prevented him from continuing to weld. Recently he joined DSR in Bartlesville.

Gentry was all about friends and family. He had a great sense of humor and made friends easily. Within 20 minutes of meeting a stranger they were already his good friend. Gentry was always ready to help a friend in need and was the go-to call when help was needed. Off and on he delivered pizza – it was a job he really enjoyed because of the many different people he came into contact with. Frequent customers, when ordering, would request that Gentry deliver their pizza because they wanted to see and talk to him. Most of all he loved his family, playing cards with the guys, and listening to music. He will be dearly missed.

Gentry is survived by his mother Barbara Alexander and Bob of Bartlesville; brother Austin James White of Austin, TX; sister Jennifer Richardson and Frank of Rockwall, TX; nephew Charley Richardson; niece Brina Richardson; and a host of other family and friends. He is preceded in death by his father James Darrell White.

Visitation will be from 9:00 a.m. - 8:00 p.m. Thursday. Funeral services will be held 10:30 a.m. on Friday, Feb. 15, at the Davis Family Funeral Home – Walker Brown Chapel.

Interment will follow in the Memorial Park Cemetery. Services are under the direction and care of Carter Davis and the Davis Family Funeral Home – Walker Brown Chapel. Online condolences and remembrances may be shared at www.DavisFamilyFuneralHome.com.

“ *Gentry was my brother. We never acted like brothers though, more like very good friends. I cherished our times watching Jeopardy, or when he would play one of his games on Xbox. We talked often, but I fear not often enough. My prayers are with my father and stepmother. No parent should ever have to go through this I love you all, this ain't goodbye Gentry...ill see you again someday.*

“ I had the chance to meet Garrett at DSR. I sat next to the door, so every time he'd come in he'd have a smile and ask how I was doing or vice versa. I didn't get the chance to know him, like some have, but he was always kind and smiling. It was a joy to see him. Rest in peace sweet man.

“ I had the opportunity to help train Garrett when he came to the evening group at DSR tech support.
Initially I didn't take the time to get to know him, but as time went on, I realized how big of a heart he had, and how absolutely genuine he was.
He always asked how I was, or how life was treating me.
He asked in a way I knew he really cared about how I was doing, or what I had going on in my world.
He was a kind man, that was taken far too soon.
Rest in Peace G.

“ One of the happiest memories I have with Gentry was just a little over a year ago. We were playing a card game and we were all smiling and laughing so hard we were crying for hours. His presence was pure joy and I'm incredibly happy to have spent some amazing times with him as a friend and co-worker. He was such a fun and loving dude and is terribly missed. Until we meet again. Rest easy, G.

“ Garrett was a sweet, kind-hearted guy who had everyone's best interests at heart, always. I had the privilege to sit next to him as a colleague while at DSR and at times he would buy me a drink or a snack for no reason at all. He was a pleasure to work with and I am blessed to have known him.

“ Garrett was a really great guy.

I worked with him at Domino's and at DSR and always enjoyed our interactions.

He was always friendly and smiling. He was always willing to do what he could to help someone. I still remember how nice and welcoming he was when I first started at Domino's; he took me on my first delivery to show me the best way to do everything. He was so personable and genuinely cared for people.

I am so sorry and will be praying for you all.
