“ I am so sorry to hear that we lost a good man. Even though Gary was not a direct family member of mine, like an uncle or cousin, this gentle man sure took the place of an uncle to me. When I was a small child, he and his wife along with his children use to watch over me from time to time. His brother is married to my cousin and they too took me in as their own. This entire family was present in my upbringing through present. This is family.  
Gary, you were a kind, understanding and compassionate man. You will dearly be missed, but we shall see each other once again.  
Frankie, Kelly and Alan, I stand along side if you have any needs.
