Michele, Maya, and Cody, my thoughts and prayers are with you and your families. Genny was my secretary when I started with Phillips back in 1990. She was the sweetest person on the face of the earth and always so very helpful. She spoke of her family often and she thought the world of you guys. We shared some great moments and laughed, we shared some sad moments, she was a very brave and very special lady. She will be missed by all that knew her.
