Georgia (Foust) Villarreal, 79, of Dewey, OK, died Oct. 2, 2020 after a brief illness. She is now with our Lord & Savior but will be missed by her family and friends.

Georgia was born Sept. 24, 1941, to Katherine Eden in Miami, OK. She was raised and educated there until age 14, then moved to Bartlesville, graduating from College High in 1959. She married Oscar Villarreal on Oct. 18, 1985. She worked for Phillips Petroleum Co. for 38 years, retiring in 1998.

Georgia traveled the world and took many cruises. She loved to go to Panama Beach, Florida, and many Jubilee conferences in Branson, MO, with church friends. In her free time, she enjoyed reading and spending afternoons playing cards with friends. She was a longtime active member of Highland Park Baptist Church and a volunteer since 2002 with the Salvation Army Women's Auxiliary.

Georgia is survived by her loving husband Oscar Villarreal of Dewey; daughter Becky Thornbrugh of Dewey; stepson Robbye Villarreal & wife Traci of Denver, CO; grandchildren Brandon Truitt, Kirbie Hutchinson, and Landon & Jenna Thornbrugh; five great grandchildren; and many nieces and nephews. “ I don't think we have ever met, but I am Georgia Ann's cousin. Calvin and Fannie Foust's oldest daughter - 10 year's younger than Georgiann- not sure how to spell that, but that's what we called her. She often came to our Grandma and Grandpa's farm near Miami & Bluejacket and we lived next door. I've lived elsewhere for many years but back in Oklahoma since 2013. We ran across her Dad's obituary this week with her last name. So I googled it and found her obituary. So sorry I didn't know a few years sooner!! I would have loved to have visited with her by phone or in person!!!! We may even have been at Jubilee's at the same time! We have gone to Jubilee in Branson since 2015 during their Wednesday thru Friday sessions in April! If you would be interested in contacting me my email is cstaylor51@live.com.

My condolences. I knew her as a fun-loving redheaded older cousin - she used to come and bring friends to ride the horse as a teenager. And you probably heard the story of a red rooster flying on top of her head- it was the same color as her hair - so it took Grandma or Grandpa a little while to see what she was yelling about ! (I don't think she liked roosters after that!) I think I last saw her once when her girls were young- many years ago and she was visiting my folks on the farm!

“ Oscar, I don't even have words to express my shock and sorrow to read of Georgia's passing. I will always remember her sincere smile and laugh. I will remember all the times she was there for, always helping, running club events and welcoming us into your home after the old New Year's Day runs from Caney back to Dewey. I loved this woman. May your many happy memories bring you comfort. You are in my thoughts and prayers.

“ My condolences on the loss of Georgia. She had a positive impact in so many lives - for me, as my first supervisor at Phillips more than 35 years ago. She was an inspiration, showing kindness and compassion for many of us in the "PALS" group! She will be missed.
