“ You are the love of my life. The only one I married. We had some really fun times on the boat at the house on the ocean and in all the sports cars. I loved when you picked me up at Kessler air force base on Friday n your c-130 and we went all over the world together. Part of my soul is gone. Peace.

“ Sending my condolences to the Dizmang family. I knew Jerry well throughout high school years in Bartlesville and a couple of years into college. We were in the same band together and had many fun times playing at dances and running around on the weekends. Jerry was always very entertaining, had a wonderful sense of humor, and even possessed a slight mischievous streak. I have many happy memories of Jerry and his lively personality. Regrets that we didn't get together in later years; I would have liked to visit and admire his sports cars.

“ My deepest sympathies to the Dizmang family.
I met Jerry in first grade and we attended school together until graduation from high school. We had many adventures in Boy Scouts and with our paper routes. We were in a band for several years. Jerry was a great drummer. I can't begin to list all the good times we had together.
I clearly remember picking up Jerry at the house (1301 Dewey) and Paul and Chris telling him goodbye and sitting on the curb waiting for his return. They would often still be there an hour or so later. They so looked up to their big brother and he was crazy about them. I also remember going with Jerry to visit with Mr. Dizmang in his TV repair shop in the garage. And those are just a few of the very fond memories of Jerry and the Dizmang family.
I was privileged to have Jerry as my friend for so many years. May he rest in peace.

“ Jerry, I am going to miss you buddy. It has been a long time but we got together just after you got your wings in the Air Force. We were both stationed at Dyess AFB Tx. we both graduated in Bartlesville. You drove over to my house in Abilene in your XKE Jag, it was a beauty. Thanks for the conversations. We will catch up later and finish our conversation.
