Gerald was born the son of Carl Edward and Bernice Maud (Phillips) Gilliland on June 29, 1933 in Dewey. He was raised in Dewey, graduating from Dewey High School with the Class of 1951. Once retired he pursued his passion for running cattle and operating oil leases in three counties. Moe preceded him in death in 2003. Gerald found love for a second time marrying Patricia Ishem of Wichita, Ks.

Gerald loved the Lord. He studied the bible daily and took every opportunity to share God’s Word with those he met. He was strong-willed and followed God’s direction set out for his life. Gerald was a storyteller and had many stories about the experiences – big and small - that shaped his life. He loved

his family and one special trip stood out when he and Moe took all of the grandkids in their motorhome to Seattle, Washington, to attend the Junior Olympics to watch his grandson Jared compete in the pole vault.

“ I don't remember a time that Uncle Jerry didn't have a smile on his face. I always laugh when I think about the time that Clay and I visited him at the farm. We helped him corral a calf. He told me to run behind it and flail my arms. Haha. That was pretty exciting for a city girl, and he told me that I did a great job. Uncle Jerry was a good man for sure. He will be greatly missed. Love and prayers.

“ I'm gonna miss you "Grampy", I loved playing shuffleboard with you and I appreciate the passion you had for the game, the funny part was how competitive you were! I always got a chuckle when we played against each other and you would tell me how you was gonna win and then smile with a gleam in your eye as I would laugh and tell you how wrong you were about that because I was gonna win! Great memories Grampy! Thank you for those! Fly high my friend, see ya on the other side!
