

## Glenn "Eddie" Sise

August 13, 1945 - November 14, 2015

Glenn Edward "Eddie" Sise passed away Saturday, November 14, 2015.

A memorial service will be held at 1:00 on Friday, November 20, at the First Presbyterian Church with Elder Kristy Rodgers officiating. Cremation arrangements are under the direction of Walker-Brown Funeral Home.

Glenn Edward Sise Jr. was born August 13, 1945 in Bartlesville to Glenn Edward Sr. and Bernice (Kosty) Sise. He graduated from Bartlesville's College High in 1963. Eddie proudly served his country for four years in the U.S. Army. He married Dee Arlen Sauer on August 18, 1972 in Bartlesville. Eddie had 35 years of dedicated service at PSO where he worked as an engineer before retiring in 2005. Eddie was a lifelong avid coin collector and a member of the American Numismatic Association since 2004. After serving as local and state President of the Home Builder's Association, he was honored with the distinction as a lifetime member. Being the father of two little girls didn't slow Eddie down when it came to the evening wrestling matches on the living room floor, but having grandsons meant he got to be a regular at the little league baseball fields. The wrestling tradition continued; however, Papa moved the wrestling matches with the boys to the sofa. Eddie spent many happy hours with his dear friend Roger Skelly, on their fishing boat, "The SS Doughhead". Before discovering his love of antiques, he could often be found at Adams Golf Course, challenging his buddies to a round of golf, which usually lasted

most of the day. One of his favorite retirement past times was daily meetings with the donut shop and lumberyard gangs to solve all the world's problems. He seldom missed a breakfast meeting with his old high school buddies, better known as the Geezers.

Eddie is survived by his wife Dee Sise and daughters Kim Sise and fiancé Jared Coppedge, Kelli Silva and husband Jeremy, and his uncle Gordon Sise and wife Betty, all of Bartlesville. He was blessed with three grandchildren, Austin Coppedge and Aidan and Carson Silva and enjoyed great times with his beloved cousins and friends.

His parents preceded him in death.

In lieu of flowers, the family requests donations be made to Meals on Wheels of First Presbyterian Church in Bartlesville, or the Boys and Girls Club of Bartlesville.

*I was really upset to hear of Eddie's passing. He was having so much fun in retirement and he kept saying he was going to get back to golfing with us. He was always smiling and upbeat and so much fun to be around. My thoughts and prayers are with his wife and daughters and their families.*

Thoughts and prayers to the family, I was at Tulsa Gun Show with Eddie twice a year and we set up right behind him. I always cooked Crappie and Fry Bread and Eddie looked forward to it. We had a lot of fun and he will be deeply missed by his " Gun Show " friends.*

Eddie was my friend and a loyal one at that and he will be missed greatly by all who knew him. He had a special style of humor, that always made those of us at the Doughnut Shop and other places alike, just grin a lot. It seemed like Eddie knew everyone in town and he always provided sound advice, when solicited for it. My thoughts and prayers are with the family, for emotional comfort and*

*healing from this loss; Eddie was taken from us too soon.*

*So sorry to hear of Eddies passing. Eddie was my supervisor at PSO and a good one he was, but most of all he was my friend. Although not often enough I would go to Bartlesville or he would come to Vinita for breakfast or lunch. If he was not talking coins he was usually telling me of his family. My thoughts and prayers go out to Dee and family, may God bless and comfort you in this difficult time.*

*My deepest condolences to Dee, Kim, Kelli & family. Eddie was such a devoted husband, father & oh so proud grandfather. I can still hear the excitement in Eddie's voice when he told me of the birth of his first grandson. Such a great guy, he will be missed by everyone who had the privilege of knowing him.*

*I worked with Eddie at PSO for many years and he was always very kind to me. He and Dee used to let me hang out with them at the service award dinners. He could find common ground to talk with anyone and with us it was often about our dogs, which we were crazy about. He was one of only three people that called me "Susie" and completely got away with it. He was just a special guy.*
