Natalie and family, I was so sorry to hear of your great loss. I know from experience that losses like this don't always seem like a blessing, but my prayer for you is that some day you are able to see God at work in this situation. God is bigger than the grief and is still God no matter how we may feel about His timing or decisions. He's big enough to handle any anger you may have for Him, just don't turn away from Him. The angels are rejoicing in heaven at the two beautiful souls that joined them that day. I pray that you find peace. I am here if you ever want to talk. God bless you, Nat.

I am so sorry for your loss. It is hard to find the right words to say during a time like this. Thankfully, we can echo the comforting thoughts found in the Bible. At Revelation 21:4 it tells us that the God of all comfort will soon do away with all suffering, sickness, tears, and death. Then, during that time, in chapter 11 of the book of Isaiah it tells us that our children will live in peace and enjoy all the animals. Until then, may your loving memories of Hailey and Hannah bring you solace during this difficult time. Your family has my sincerest condolences.

Dear family, I am deeply saddened by the most precious loss of your beautiful daughters. I don't know what to say. I could never imagine what you're going through. God knows the terrible pain that you are experiencing. He knows the many sad tears that you cry. He cares. Please be comforted by his loving promise to your family to be reunited in the future Paradise when he will bring an end to sickness and even death. My prayers are with your family. Please be consoled by John 5:28; Revelation 21:4, 5. May Jehovah soothe your hearts.

Ms. Natalie, I have admired you ever since I met you. You are a wonderful mama. I watched you one time shopping in Wal-mart with your precious angels. This has broken my heart for you. I pray for you & your family. May God bless you with strength to endure. He will. With Love, Dona

Natalie I know your heart is broken, and I pray for God to give you all the strength you will need in the days ahead. We lost our son when he was 22 yrs old and all I ever ask God to do was to help us get thru each day and to take the pain from my heart, and he will. I am remembering all the funny things they did on the bus, they would sing to me, and try to dance a little also. Hanna would get mad at Hailey because she would boss her and tell her what to do. The times we would get off the bus and pick flowers so they could take them home to you. I will always remember you driving them up to the top of the hill in the golf cart to catch the bus with the big white dog in the seat beside you. Then when they wanted me to come to see your new house and their rooms they were so excited and so proud of their rooms. Natalie you are a wonderful Mom, and loved the girls with all your heart, and you have wonderful memories never let them go. I loved them to and will always remember them. I can see them now all dressed up bows in their hair running thru the fields in heaven picking flowers and Jesus is there with them loving them with all his heart. I love you.*

I am deeply sorry for your family's loss. May you find comfort and strength from God's promise at Revelation 21:4 "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore." We pray for strength until this time comes.*
