I know these beautiful girls are up in heaven now, but they will be greatly missed here on earth. My heart goes out to their father, Todd Benham, as I know he loved these two girls more than anything in the world. I'm praying for the family during this very difficult time.

*Dear family, I am deeply saddened by the precious loss of your beautiful daughters. It doesn't seem fair. Words could never ease your hurt. Please know that there will be many family and friends that will support you. God is deeply saddened by the pain that you are suffering. He deeply cares about your broken hearts. I pray that He provides you with the strength to endure and to be comforted by his loving promise of a future beautiful Paradise. (Revelation 21:4,5) My prayers are with your family.*
