“ I am going to miss you Helen 🐸
You have always been a good and caring friend to everyone. A volunteer in your community and a caring neighbor. You looked out for and cared for our Sherriff's mother in her last year. You just always gave so much. You may not have been rewarded the way you deserved on this earth (not that you would seek recognition because you never did.) but I know you are being rewarded in heaven. What a grand reunion for you to be with your husband and daughter again. 🕊️ We will miss you in this world as we hold on to the promise of heaven when we will see you again. Rest easy in the arms of Jesus my friend. 🙏
