MY DADDY--I love you very much. You will always be in my mind and my heart. I know you are in heaven with Courtney and Cody (give them a hug from their Aunt Mary) and I also know that you are not in pain anymore. I will make sure that Baby Kacey knows who her Great Grandpa James Ainesworth was and make sure she knows that you love her. I miss you so much.

I had the pleasure of treating James in physical therapy a few years ago. I always looked forward to seeing him and had fun as well as he had a fun personality. He loved life and loved his wife and family, and it showed. I have thought about him often since then and will always remember his sweet spirit. RIP James, I know you are finally out of pain. Prayers and hugs to the Ainesworth family.

My condolences to Mr.Ainesworth's family. Precious memories will help ease your sorrow. "For there exists hope even for a tree. If it is cut down, it will sprout again. And its twigs will continue to grow... If a man dies, can he live again?.. You will call, and I will answer you.."(Job 14:7,14-15) May your confidence and faith in God's power and desire to restore life continue to grow, comforting you just like it did Job.
