Though i haven't seen you for a long time I will never forget working with you at Rig Cementing during those boom times in the early 80's where 24 hr call , 80 + hrs a week , and spending all night working or waiting in the middle of nowhere were normal .

My Grandpa

I never got to give you a hug

before an angel took your hand and gave you a tug

I never got to give you a kiss

before you made your final wish

I never got to tell you I love you

before you disappeared into the sky so blue

I never got to tell you Goodbye

all these things I wish I did whether by choice or fate

I was too late.

I love you Grandpa.

I remember all the good times we had.

Grandpa was the best

Sending Condolences to all the family and friends
