Jean was born June 20, 1958 in Oklahoma City, OK to Levi (L. T.) Cathcart and Margaret (Peggy Hughes) Cathcart. She graduated from Independence High School in 1976. She decided to continue her education at Pittsburg State University and then transferred to Kansas State University. She earned her Bachelor's Degree in Mechanical Engineering in 1983 from KSU. She was also recognized by the U.S. Army for her dedication to night vision equipment and training.
