“ *All the Shambles family,
So sorry to hear of Jennie's passing. I was surprised she was only two years older than me but that I had professed eight years before she did. I'm so glad we both got an early start which has brought lots of joy and many tears as life has unfolded before us with our Lord Jesus. I only remember seeing the family at convention so not so well acquainted at the start but the branches began showing up and our paths began crossing to where we are today. I'm so proud of all of you as we follow Jennie to our finish. All the best to all!*
