“ *Julie & Family;*

So sorry for the loss of your father. I remember going to his pecan farm and buying some good samples several times. He has been truly blessed with many grand & great grandchildren and two fine daughters. May God Bless you, Tim and the rest of your family at this sad time.

“ *Louella and I shared many fond memories with John and Jacque! I especially remember the time a raccoon jumped off our porch unto John, and he threatened to sue me for the family farm! Lots of memories of hunting birds, and Jacque living with us for 2 years while she finished high school. Very special people to our family.*
