*Dear Kristi, While I was at my brothers funeral today I was shocked to hear your Mom had passed away. I tried to call her Wednesday at the number she had given me, but no answer. She told me on Thursday before Mothers day that she was sleeoing so much, but I never heard what the problem was. my deepest sympathy to you and your family. Love, Joan

*Kristi we are sorry to hear about Josie she will be missed I know we did not talk to much but I did enjoy talking to her when we saw her and Sammy talked to her more than I did , he even had breakfast sometimes at McDonalds with him. If there is something we can help with let us know and maybe we can help you. I know how hard it is to go through all that you will have to deal with now because I had to do all the things with mom's things and there is a lot to take care of and I even had things come up even a year or so later that I had to take care of . At least you have Greg to help you , Sammy helped me even with lots of paper work . I hope we can see you all later when you are back in town to visit with you. I am glad we did get to visit you and Josie that day we saw you at the pizza place .  
Love Pam & Sammy
