“ After leaving a farming and ranching career of 30+ years and training to become an ASCS County Executive Director I was assigned as the interim CED of Osage County. Things were tense to say the least following the termination of the CED earlier that day. And this "green" 40ish trainee walks in and I'm sure Karen, Amber, and Temp Joe Sweeden thought "Oh boy, this is all we need!" But things quickly worked out well and I soon came to appreciate the staff I was fortunate to work with. Karen was actually the office manager and my mentor. As I became a District Director and travelled to assigned office (some big workloads and some small) I realized that Karen, and other staff, was as good as there was and better than most. I appreciate Karen's professional skills, her Christian demeanor, and mostly her friendship. I wish I would have returned to the office more often to visit the gang. Through a few challenges we became a pretty darn good team serving ranchers and farmers in the largest county in Oklahoma. Rest well Karen. Job and life lived, well done.

“ Karen was a true friend, and in some ways more like a sister. Her faith in God never faltered. I will miss our friendship dearly.
