“ I’m completely heartbroken to hear of Katherine’s passing. I knew her growing up and into young adulthood. She was a bridesmaid in my wedding 19 years ago. Although our lives took us in different directions, we talked occasionally through the years. She was the most kindhearted person with such an amazing personality. We spent hours just hanging out at my apartment, she was just so fun to be around! I know she will be greatly missed by so many. My sincerest condolences to her family and all who loved her.

“ Katherine is my cousin, growing up we always would go and visit and have family trips and even though she’s only a couple years older she always had this bright light about her that you enjoyed being around! I’ll never forget riding her horse, playing cards and dice and just having family time! RIIH Katherine, I hope you are pain free ☐
