She was my step-grandmother, but I always considered her just a grandmother. When we stayed in Bartlesville, our families got to spend time together, of course now I wish we could have spent more time together. I have no doubt I will see her again one day. I look forward to it, Kopy.

I am so sorry for your loss. We are much too busy to stay in touch--- even with those close by. Just a note to let you know that I do care.
