Our thoughts and prayers are with your family. I told mother (Jean Wamsley) this evening that I thought I had read your mother's name in today's paper. Both Stu and Jean Wamsley just got out of the hospital and both are in rehab at Methodist Manor. They just moved into assisted living on March 10, and they both hope to return to their new home. I would love to you all. Have such fond memories of my childhood living across the street from your family. Sheri Wamsley Nellis*

I am an employee of Jane Phillips Medical Center and got to know Kathy when she was a volunteer in the gift shop. She was always so sweet and kind to everyone here at JPMC. Our deepest sympathy goes out to her family.*
