

Kevin Davis

March 26, 1969 - September 23, 2013

Kevin Allen Davis, a resident of Bartlesville, and Supervisor of Operating Excellence, Engineer, for the Bartlesville Control Center with Phillips 66 Pipeline, passed away in his home at 11:40 a.m., September 23, 2013, at the age of 44 years. Kevin fought a long, hard battle with cancer, but continued to be an inspiration to the very end.

Kevin was born on March 26, 1969 in Columbus, Ohio to Betty and Thomas Davis, who have both preceded him in death. Kevin moved to Oklahoma in 1981, and graduated from Morris High School with the Class of 1988. After college, Kevin began his 22-year career with Conoco Pipeline in Glenpool, Oklahoma, moved to Colorado with ConocoPhillips, and returned to Bartlesville, Oklahoma where he retired with Phillips 66 on September 1, 2013. Kevin also served 13 years in the U.S. Army Reserves. His father-in-law often summed Kevin up in one statement, "Kevin is an asset wherever he is." He definitely was a man with a plan, and had the ability to see it through. Kevin will long be remembered for his wit and humor. He laughed and the world laughed with him. Kevin was a member of the First Baptist Church in Bartlesville.

He is survived by his wife of 23 years, Deidra, and their two daughters, Devin and KayDee of the home. Also, two brothers, John Davis of Colorado, and Duane Davis, Okmulgee.

Arrangements are under the direction of Walker-Brown Funeral Home in Bartlesville. The family will be receiving friends on Wednesday evening between the hours of 6:00 to 8:00 p.m. at Walker-Brown Funeral Home. Services will be held at the First Baptist Church in Bartlesville at 10:00 a.m., Thursday, September 26th, with Bro. Joe Fowler & Bro. Kevin Rainey officiating. Interment will be at the Okmulgee Cemetery at 3:00 p.m., with Bro. Dennis Taylor officiating.

Deidra: I too was a classmate of Kevin's. Kevin loved to laugh and play jokes. I just learned recently from another classmate of Kevin's illness. My heart is breaking for you and the girls, but my heart rejoices for Kevin. He has no more pain, and is finally at home!! I believe it won't be long before we will all join Kevin with our Lord. Your family has been on our church prayer list ever since I learned of Kevin's illness. The first song that crossed my mind when I learned of Kevin's passing was "I Will Rise" by Chris Tomlin. I hope you can listen to that in the coming days. May the words of John 14: 1-3 bring you much comfort. You and your daughters will be in my prayers.

We cut Kevin's hair several years here in Okmulgee and if I had a son, I'd want him to be like Kevin. He was as friendly and nice as he was intelligent.....and he was pretty sharp. The world needs more guys like Kevin Davis. Prayers and condolences to the family from Ralph's Barber Shop..

He was one of the smartest men I have ever worked with. He did amazing things when he was my supervisor at ConocoPhillips here in Colorado. Many improvements that would not have been done were done because he was here. I will miss that amazing man!

Diedra, Devin and KayDee: Although it was sad to learn of Kevin's passing, I know that the victory was his. Kevin was a faithful witness to all of us concerning the strength and love that our God gives us in difficult times. I remember when Kevin first told me about his diagnosis, he said the doctor didn't give him very good odds. We spoke about who is the great overcomer of odds, and how He has proved that time and time again. Kevin left a legacy of rejoicing in the face of so many challenges. In my times with Kevin, he never complained about his situation, nor felt sorry for himself. I know that Kevin was proud of his family and loved you all very much. He will be missed by his family, friends and co-workers, and many of us celebrate knowing that we will reunite with him again. God bless

you, and may He give you comfort.

I am very saddened to hear this. Kevin was always so kind. I remember him and Cory Bryan starting Morris in Junior High with all of us "locals." His strength was unreal. His faith was to be sought after. My prayers are for his family. We all were blessed to have him in our lives.

I feel blessed that I had the opportunity to know Kevin, to work with him, to learn from him, and to laugh with him. He has been an inspiration to so many people by how bravely he fought his battle. Deidra, you and Kevin both have demonstrated such strength and faith throughout his illness. Kevin leaves a wonderful legacy by how he lived his life. I will keep you and your girls in my prayers.

I am so sad about the loss of my classmate and friend. I will always remember Kevin as very intelligent, kind and a practical joker. He always found a way to make a joke out of anything!! I found in later years that he adored his wife and children and that he was growing so strong in his faith. To face his battle at any time is not an easy task, but to face it at such a young age had to have been very difficult. I admired they way that he fought to win this battle and stay with his family. He will be forever missed and the class of '88 will not be the same. So glad he made it to one last reunion and gave us all such wonderful laughs. May the Lord bless you, Deidra, as well as the kids. Lean on him in the days and months to come. We will be praying for you and let us know if there is anything we can do for you. Felisha & Stephen Fox

What a great man Kevin was! Going to school with him was some of the most fun times of my life! Ill never forget when my parents and I were stranded on I-40 going to church in Oklahoma City and out of the blue, Cory Bryan and Kevin showed pulled up in his truck offering my father assistance with his tire! I know my parents were shocked at how caring and mature they were and still talk of them this day. I had some of the best people in that class and was honored to know him. I am also glad he had such a wonderful friend and partner in his life. I am better for knowing him. Love you, Kevin. See you someday in that great by and by.
