“ *Kristie was in the Class of '85 in Dewey as I know she didn't graduate there...she moved to Bartlesville school. I have many memories with her in school. I often have thought of her but I never knew where she was or the name she went by. On behalf of our class and myself...she will be missed. Our prayers are with her family and may God bring you the strength and peace to get through these difficult times. She was an amazing lady taken too young. May she rest in paradise!*
