Wendy, Debbie and Pamm - Thanks for the comments. Our family really loves hearing about the lives that mom touched. She was a wonderful, strong, beautiful woman full of integrity and high morals and values. I am missing her today because Thursdays she always tried to text, e-mail or call me. I miss her big smile, her opinions, her advise and her love. No matter what, she always made sure that you knew she cared. I miss you momma.
