November 18, 1928 - June 26, 2022

Leretha Belva Teter, 93, of Bartlesville, died Sunday, June 26th, 2022 in Barnsdall.

Leretha Belva Beery was born on Nov. 18, 1928, the youngest child of Glen and Lavinia Beery of Winfield, KS. During her high school days she worked at the Winfield Dairy. In the mornings she drove a Model A to pick up 10 gallon cans of milk from local farmers. Afternoons, she worked in the ice cream parlor. There she met the love of her life Leonard, on March 9, 1947, and they united in marriage. She also worked for Waldron Grocery on College Hill St. In 1946 she graduated from Winfield High School and began her 38-year career at SW Bell Telephone, starting out as an operator. She transferred to Wichita in 1948, then to Arkansas City to work in the business office. In 1954 she returned to Wichita in the marketing dept. In 1955 she transferred to Bartlesville as a clerk in the plant department, then in 1957 she went to management as secretary to the district maintenance administrator. She retired on May 1, 1984.

Leretha enjoyed her hobbies of quilting, handiwork of all kinds, and crafts. She and Leonard traveled the United States from coast to coast, attending car races whenever they could, especially NASCAR races, and spending time at Table Rock Lake in Missouri, oftentimes hosting friends and family.

Leretha is survived by several nieces, nephews, and a host of other family and friends too many to mention. She is preceded in death by her parents, husband and siblings.

“ *Leretha was such a positive presence in our lives. She will be missed. When we reconnected by phone last fall after many years, she was still that same incredibly positive and joyful person - she hadn't changed a bit. So many great memories sharing family times when we were young out on the lake, water skiing, swimming, boating and having fun.*

“ *She was a great lady, she was a irony lady too but had a great outlook on life. I got to spend time with her watching hallmark and eating chip and dip. She was the kindest person every. The first time I met her was at the dental office and she brought Me some across from the dental office parking lot. My first thought was she is a bit strange but as I got to know her she was a wonderful lady always caring about other people.*
