*I spent many summers with Grandma and Grandpa Colberg in Lyons learning about wheat harvesting. My special memories are those of when Grandma took me with her to the nursing home where she volunteered. I learned the value of respecting our elders and the smallest thing like playing a game of dominos made the difference in someone's day. I treasure the memories I have with them both. I know she is finally at peace and with the people who have gone before her. May your journey be blessed. You will be missed Mita Unci. Wo Waste' Laka Toksa from your loving grandson Mahpiya Peta*

*Jeremy has shared with me so many great memories of his Grandma Colberg. Summer vacations visiting and spending time with her. Although I only met with Linda over a couple of visits she made to Ponca City, she was always so kind. Prayers for all her family and friends. Heaven has received another angel. Love from us all- Rena', Jeremy, Kaleb and Kaiden Colberg*

*I am very sorry for your loss. Jesus said; "Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out,...(John 5:28-29) My prayer is that his promise will comfort you during this time. May wonderful memories also make your days bearable.*

*I am sorry to find this notice by accident in preparing for a trip to Wichita and visit to the Geneseo cemetery where my parents are buried. As a child, I remember Jack and Linda coming into Lyons for family reunions that my parents attended. Condolences to her family who must surely miss her greatly.*
