In 1971 Linda married Bill Dillon and they had two children, Matt and Shelley. They parted ways in 2000. Linda worked many years as a retail salesperson. She loved to shop and travel.

Linda is survived by her children; Matt Dillon and wife Natalie of Dewey and Shelley Merrick and husband Sean of Mound Valley, KS, sister, Kathy Misak and husband Bobby of Tulsa, Karen Asher and husband Jerry of Bartlesville. She was blessed with eight grandchildren, three great grandchildren, her special friend of 15 years, Ken Smith as well as many friends and relatives.

Linda was preceded in death by her parents.

Momma loved to shop. We would go shopping every Saturday, after the house was clean of course. Growing up, my brother and I had so much fun. She would make homemade bread if Matt and I didn't eat all of the dough first. We would watch "Days of our Lives", "Young and the Restless" and "Another World" everyday or she would fill me in after school. I must have been kind of ornery growing up. I found a lot of "I'm Sorry" notes going through her boxes. She loved to dance. She had this giggle no one will ever forget. She loved her

kids and grandkids. She loved helping people more than herself. She was loved by many. She is still loved by many. Heaven gained an Angel. We lost a momma, grandma, great grandma, sister, niece, aunt and friend. Forever in our hearts momma, until we meet again.
