

Linda Rae White

January 20, 1950 - September 11, 2022

Linda Rae White, 72, of Bartlesville, died Sunday in Dewey. She was a loving daughter, sister, wife, mother, grandmother, friend, and a child of God now rejoicing and worshipping in heaven forevermore.

Linda was born the daughter of Henry Obed and Dorothy Helen (Malde) Scott on January 20, 1950, in Mitchell, South Dakota. From a young age Linda loved singing. She enjoyed being part of the choir and playing the French horn in band. She was raised and educated graduating from Mitchell High School in 1968.

Linda was living and working in Colorado Springs when she met Donald White who was stationed at Ent Air Force Base. They quickly fell in love and married on July 31, 1971. Soon after getting married they moved to Joplin, MO, for a year before settling in Sioux Falls, South Dakota. Linda was a wonderful and loving mother who stayed home with their boys Kent and Ben when they were little. Once they started school she worked as a respiratory therapist and later as a pharmacy tech, helping people every day.

What was she like? Linda was an encourager, she was loving and kind, an excellent listener, and most of all was strong in her faith and loved the Lord. Her actions represented her desire to be Christ-like and show the world His amazing love. She was a prayer warrior. She loved spending time with God

reading the Bible and praying. Linda was active in various ministries including the choir, a quartet named “The Uncalled Four”, worship team, and Bible studies at her home church Linwood Wesleyan Church in Sioux Falls.

Linda and Donald, the man God blessed her with, enjoyed spending time together and watching their kids and grandkids grow up. The couple enjoyed walks, hiking, and attending the boys’ activities when they were young. They also loved dinners out with friends, playing cards and Bible fellowship groups. Reading, singing and coffee with friends took up her free time. Most of all she loved her Lord and Savior Jesus Christ and singing His praises!

Linda is survived by her husband of 51 years Donald; two sons Kent (Holly) White and Ben White; siblings Jean (John) Beck and Jerry (Candice) Scott; and grandchildren, Kylie, Drew, Trey and Kori. She is preceded in death by her parents.

“ Linda was a close high school friend of mine. Although we lived in different areas all our lives, we continued to communicate every Christmas. Linda was so well liked in high school. She was so attractive, smart, and caring. I just got this news 2 days ago and am trying to let our classmates know of her passing. My sincerest sympathies to Don, Kent, and Ben.

“ Greg and I were so very sorry to hear about Linda's passing. She was such a wonderful, loving and caring person - we'll miss her terribly! The description of her is totally true, every word! We met Don and Linda at Linwood and always looked forward to visiting and spending time with them. I also had the great opportunity to sing with Linda on many occasions and she was always the life of the party with her constant smile, cute sense of humor, and the glow that comes from knowing the Lord intimately. She was ALWAYS concerned with others, not calling attention to herself or her own needs. She listened intently and was ALWAYS the voice of encouragement. Even though we have had little contact over these past years, I still and will continue to think of Linda as a dear friend, one whom I'm looking forward to singing with in Heaven! Don, please know you and your family are in our deepest thoughts and prayers!

“ Our family was privileged to live near Don and Linda in Sioux Falls in the early 2000's. We had three young children and we would walk to their house where they were always willing to provide us a snack(popcorn), fellowship and laughter. Sometimes we would leave our children and we would come back to them having a wonderful time playing in Don and Linda's home. What a bright spot their home was. We miss those days, but look back with fondness the open arms that Don and Linda shared. Don--may God's peace encourage you as you carry on and we were delighted to know Linda White. What a joy she was and her picture in this picture is beautiful and how we will remember Linda.

Don, Kent, Ben and Families, it is with a heavy heart that I wish you all peace. Linda was the best friend a girl could ever have. We lived across the street from the White family when Linda and I were young mothers. We helped each other raise our small children, each other and our spiritual life. We spent summers basking in the sun and winters playing in the snow. It was truly a fun filled life. It was a sad day when the moving van pulled away and we waved goodbye. God blessed our family and especially me with the friendship of Linda.
