

Lisa Marie Lea

January 3, 1965 - May 3, 2019

Lisa Marie Lea, 54, of Copan, died Friday in Bartlesville. While she finds her eternal rest with her Heavenly Father and her own father Gene, Lisa will be dearly missed by her mother, husband, children, grandchildren, and all who knew and loved her.

Lisa was born the daughter of Robert Gene and Judy Marie (Carpenter) Gurley on January 3, 1965 in Bartlesville. She was raised in the area graduating from College High in 1983 - GO WILDCATS! At a young age, Lisa developed a love for roller skating and she often skated alongside her father as he managed the floor at the local skating rink. Lisa was active in choir and stage choir during her school years, she also sang in the church choir.

Lisa worked various jobs throughout her life, but her passion and calling was to serve others. She was a private caregiver for many years before starting her 21-year career with H&G Pharmacy as a billing specialist and delivering various pieces of needed medical equipment to her clients 24/7. Lisa loved the many people she encountered and was able to help over the years.

Richard and Lisa first met when they were very young at the Salvation Army. They knew each other growing up and reconnected in their late '20s. They decided to tie the love knot on May 23, 1998, and have been inseparable since.

Lisa would oftentimes go out with Richard on fire calls and they enjoyed storm spotting together. They volunteered with the Red Cross Disaster Team and were activated many times over the years. Most of all she loved her children

and grandchildren - she was an awesome grandma who took the grandbabies weekly to the Kiddie Park and the local Splash Pad.

Lisa is survived by her husband of 27 years Richard of the home; mother Judy Gurley of Dewey; four children Robbie Hicks and Pam of Bartlesville, Julie Queen and Jordan of Dewey, Cody Lea of Bartlesville, and Ryan Lea of Minneapolis; and seven grandchildren, Kira Halcom, McKinzie Holmes, Natalye Holmes, Aria Queen, Dominick Queen, Kihanna Edwards and Ciraya Lea. She is preceded in death by her father.

“ If ever a soul were deserving of a crown full of brilliant jewels, it would be Lisa Marie. My heart is full of countless fond memories of old; cruising the streets of Bartlesville, skating on weekends where she would laugh while offering an outstretched hand to help me off my bum, she was do much better than I with expert teaching from her dad who would join us at times! Many sleepovers at the Gurley family home, Falls Creek, and of course our primary common ground was church. She taught me sign language so we wouldn't waste paper in OCCASIONAL exchange during the sermon. Lisa loved the Lord and she loved people. Neither of those were secrets! She and I both loved to pass hugs out to passerby's when we be together and run into someone we knew. We were the inseparable Lisa C and Lisa G during our jr high and high school years. I've loved her always and it would seem that even after 35 years we didn't skip a heart beat! I'm so sorry For your loss Momma G and family. Heavens gain for we shall see her yet again! I regrettably can't attend her send off but my heart and prayers are with you.

Prayers for the family. I worked with Lisa at the original H and G. She was a kind, compassionate soul, and very knowledgeable about home medical equipment. I was there when she married Dickie. She loved her family dearly. Praying that memories of the good times will comfort you all through the coming days.

“ My name is Rhonda Langford Shrum I use to live next door to Lisa in Bartlesville. We were best friends. Although we grew up and had our own lives this news hit home. She was a sweet girl. I know she is loved and will be missed. I pray God will comfort her family near and far. And give them the peace in knowing Lisa is home with our father and her earthly father. Among the angles.
